LITTLE  
SIBERICA

Starting from the very first day of their babies' lives, parents are trying their best to shower their precious little ones with warmth, care and the best care products. Like no one else, **"Natura Siberica"** specialists understand that cosmetic products designated for babies need to be ultimately natural and safe.

Our new **"Little Siberica"** line is represented by **certified organic cosmetic products**. Combined with vitamins and minerals, highest-quality organic ingredients in the formula of the new "Little Siberica" line gently take care of your baby's delicate skin and hair, as well as protect them from negative environmental factors.

**CERTIFIED  
ORGANIC  
BABY CARE**

No parabens, silicones  
or synthetic dyes

**Safety, purity and natural qualities of the product are guaranteed by European certificate of natural organic cosmetics COSMOS-standard AISBL ICEA**

## Baby bath foam

With organic extracts of mallow and sage

Formulated with softening and hydrating organic mallow extract and antibacterial organic sage extract, this mild fragrant bath foam soothes and calms.

250 ml / 8.5 fl. oz

## Baby bath gel

With organic linden and St. John's wort extracts

This delicate bath gel gently cleanses baby's skin and prevents it from drying out. Organic extract of linden has soothing, moisturizing, and calming effects on skin, preventing it from flaking. Organic St. John's wort has anti-inflammatory and soothing effects.

250 ml / 8.5 fl. oz

**COSMOS ORGANIC**

Safe formula.

No parabens, silicones or synthetic dyes

## Baby soap

FOR EVERYDAY CARE

With organic extracts of birch and bur-marigold

Baby soap for every day use carefully cleanses baby's gentle skin. Organic birch extract soothes, softens and relieves irritation. Organic extract of bur-marigold moisturizes and soothes the skin.

500 ml / 16.9 fl. oz

### Baby no tears shampoo

With organic extracts of aloe and licorice

This baby shampoo gently cleanses baby's hair and is gentle and mild to the eyes as pure water. Organic aloe extract hydrates hair and scalp. Organic licorice extract nourishes hair, making it soft and smooth.

250 ml / 8.5 fl. oz

### Baby shampoo EASY BRUSH

With organic extracts of violet and mallow

Made with hydrating organic violet extract and softening mallow extract, this baby shampoo carefully cleanses and detangles baby's soft hair.

250 ml / 8.5 fl. oz

### Baby hair conditioner EASY COMB

With organic extracts of violet and mallow

Baby hair conditioner carefully treats and detangles hair. Special conditioning formula tames baby's unruly, thin, curly hair, removing static to leave hair soft, shiny and easy to comb. Organic violet extract moisturizes hair, while organic mallow extract makes hair soft and silky.

250 ml / 8.5 fl. oz

## Mild baby shampoo for newborns

With organic extracts of  
angelica and soapwort

Specially created for newborns, the mild formula of this certified organic shampoo does not irritate eyes or nose during bathing. Organic angelica extract protects delicate baby's scalp from external environmental factors. Organic soapwort extract reinforces the baby's natural protective skin layer, softening and hydrating it.

250 ml / 8.5 fl. oz

newborns

## Baby diaper cream

With organic marshmallow and milfoil extracts

Baby protective diaper cream is specially formulated to eliminate irritation and diaper rash. Organic marshmallow extract has antiseptic and soothing effects. Organic milfoil extract heals and moisturizes skin.

75 ml / 2.5 fl. oz

## Baby daily care cream

With organic extracts of chamomile and marigold

This unique Baby cream combines organic extracts of chamomile and marigold, ingredients long known to soften, heal and relieve irritation-prone sensitive baby skin, to provide gentle care of your baby's delicate skin for 24 hours.

75 ml / 2.5 fl. oz
